Excellence in Education

Enrollment at Crossroads Christian School is an appropriate choice for those interested in securing a quality Christian Education. We serve students in Preschool through Eighth Grade. Students must meet the academic and conduct guidelines of CCS in order to be enrolled. Our standards of conduct and academic performance are designed to provide an excellent learning environment for our students. Crossroads does not discriminate on the basis of race, nationality, or ethnic origin in its educational policies, admissions policies, athletics, or other school programs. Both parents and students agree to abide by the standards and policies of Crossroads Christian School and to cooperate with decisions of the Administration. It is a privilege to attend CCS, a privilege that may be forfeited by any student who does not adhere to the school's standards of conduct or academic progress. Parents and students must fully support the spiritual teachings and scriptural standards of the school. If a student or his/her parent is unwilling to abide by the school's policies, ministry philosophy, or standards, the student will no longer be granted the privilege of attendance.

Please note: For the sake of the safety of all children, CCS reserves the right to approve or disapprove any volunteer or activity. Volunteers require background checks and school's standards for scriptural conduct, and agree to be subject to school policy and decisions of the staff and administration. Participation by a parent or family member in any volunteer activity is at the sole discretion of the teacher or supervising staff member, or school administration.
