

Psalm 115:15

*May you be blessed by the Lord,
the Maker of heaven and earth.*

Dear 2nd Grade Team,

Welcome to a new year of learning adventures! My name is Mrs. Ortega and I will be your 2nd grade teacher. I feel so blessed and excited to share this new year with you and your family. You are going to love being in the 2nd grade; it's so much fun!

*Reach

Stars*

Your mission is to build a stronger foundation of knowledge and character. You will be trained in multiple subjects as you continue to develop a love of learning and meet high expectations with the support of your family. As a 2nd grader, you will learn how to apply Biblical stories to your own life, write beautiful cursive, engage in fun science experiments, discover interesting history, solve mathematics with ease, and grow in your excitement for books and reading. All this learning will prepare you to be “3rd Grade Ready” with confidence and joy. We will accomplish these goals together with hard work, cooperation and a whole lot of fun!

I know this will be a wonderful year for you and me. There may be hard times, but we are going to work through them together. We will have great moments throughout the year. Those moments will turn into wonderful memories, and I am so happy to take part in them with you.

To an Infinity of Learning & Beyond!

Mrs. Ortega
