Thank you for showing the staff your love this week!! We love the encouragement!!

Do you know that there are only 41 more days until summer break? Make sure that you are recording your FAST hours. Each Elementary School family is required to fulfill 25 hours for the year with the deadline for hours recorded on May 18th. If you don't know how to record your hours, please reach out to me, I'll help you. Signing up for a job task does not record the hours worked automatically.

There is 1 more FAST event coming up:

Mini Olympics is an all school event, meaning Preschool and Elementary School will be participating. We will need help from parents of the Preschool through all of Elementary School, (K-5). There is some work that can be done at home, but most of the work will be done on the day of the event. Check your email if you did not see the Sign Up Genius, for ways to volunteer. You can also check on our Parent and Staff Facebook group page. This event is Friday, May 11th, starting at 8:45 am. You will also receive an Evite to RSVP for the BBQ that will follow Mini Olympics. More information will be coming next week.
