#### Director's Desk

Busy month ahead! We will pick class pumpkins from our very own pumpkin patch! Teachers are working diligently on fall assessments. They are getting to know developmental strengths as well as making determinations for goal setting for each child's development path.

We kick off Apex fundraiser at the end of the month. We also have our fun day with our Harvest Costume Parade. Thank you for relabeling personal items throughout the year when names wear off. Look forward to a fun month!

Children will parade twice around interior of the Playground. Second time around they will have treat stations. Last will be group pictures. Look for sign ups for Treat donations from parade parent helpers.

**Please no creepy/scary costumes**
