

Dear Parents,

I hope this email finds you well. My name is Frank Alvarez, and I am thrilled to be your child's kindergarten teacher here at Crossroads Christian School.

Allow me to introduce myself briefly. I have been a staff member for the past two years, working as a TA, yard duty, and substitute teacher. During the COVID pandemic I was able to homeschool my then kindergarten son and 2nd grade daughter using the same curriculum we use at CCS. All together my family and I have been a part of the CCS family for the past seven years and it has been an enriching experience. I share the same love and dedication that you have towards CCS while volunteering as a parent and working as staff. I am excited to continue contributing and working in this great environment that has allowed my own children to grow in education and Christ over the years.

Kindergarten is such a pivotal time in a child's life, and I am committed to making it a joyful and memorable experience for every student in our class. I believe in a supportive learning environment where each child feels valued and encouraged to reach their full potential. I am thrilled about the opportunity to work with your child and to witness their growth and achievements throughout the year. I am confident that we will create a nurturing and supportive learning environment that sets a solid foundation on Christ and education.

Please do not hesitate to reach out to me with any questions, concerns, or insights you may have. I am here to support both you and your child every step of the way.

Thank you for entrusting me with the privilege of being your child's kindergarten teacher. Here's to a fantastic year!

Warmest regards,

Frank Alvarez
